ABOUT US

To serve a growing market demand, Chef Lebanon Consultants initiated the Chef Lebanon line of products using the best ingredients and state of the art recipes. Chef Lebanon Products specialized in the distribution and sales worldwide. Today, almost one decade after entering the market as a wholesale provider, our target is not only to distribute the products to restaurants, but to enter the market

directly to the consumer. In an ever demanding market, we diversified our food and beverage production chains to meet the consumer craves without losing the Lebanese cuisine taste. Our product range has grown over the years, enabling us to make our famous brand reach almost every house.

MISSION & VISION

Customer satisfaction is paramount to us. We never compromise our clients' needs and requirements, and are always keen to provide the true Lebanese taste with exceptional quality, purity and balance to the market. From tested recipes, our food products are crafted for deliciousness and made with the best natural ingredients, Chef Lebanon will guarantee that only the best products are worthy to carry its brand.

With over 25 years of experience in the F&B business, we are a consultancy that stands out from the rest.

MADE IN
LEBANON

Tomato Paste

An Important ingredient in the Mediterranean cuisine and One of our best selling products. **Chef Lebanon** tomato paste is made with passion and based on traditional heritage. We pick the best sun ripened tomatoes from Lebanon fields to prepare the Tomato paste that is essential to your recipes.

Our Tomato paste is made from tomato concentrate that will surely impart an intense tomato flavor to vast amount of dishes

Chef Lebanon tomato paste comes in glass jars to avoid the usage of preservatives and guarantee the original tomato flavour.

Tahini Sesame Paste

Chef Lebanon best-selling product to nearly all our clients, our tahineh is a thick Middle Eastern paste made from toasted ground hulled sesame seeds

Considered a staple of Mediterranean cuisine, tahini is often featured in traditional Asian, Middle Eastern, and African dishes as well. It’s an incredibly versatile ingredient and can be served as a dip, spread, or condiment and the key ingredient in hummus and in baba ghanoush.

It also boasts a long list of nutrients and several health benefits, making it a must-have for any kitchen pantry.

In addition to providing a wealth of nutrients, tahini has also been associated with several benefits, including improved heart health, reduced inflammation, and potential cancer-fighting effects.

HEALTH FACTS

Tahini is rich in many nutrients, including protein, fiber, copper, selenium, and phosphorus.

Olive Oil Extra Virgin

Chef Lebanon extra virgin Olive oil is oil that has been extracted from olives, and the least processed or refined type.

Extra virgin olive oil is considered to be the healthiest type of olive oil. It's extracted using natural methods and standardized for purity and certain sensory qualities like taste and smell.

Olive oil that is truly extra virgin has a distinct taste and is high in phenolic antioxidants, which is the main reason why it's so beneficial.
